

YOUR SUCCESS  
IS OUR MISSION

## Veterans Affairs Warehouse Support Services

Partnering with each VISN/VAMC to provide solutions & address your specific logistical hurdles while meeting your needs & increasing efficiency at the local level—*servicing as a true force multiplier for your team.*

**Supplemental Warehousing** - VSS provides additional storage space to meet your new & evolving needs for additional inventory on-hand due to renovations, moves/activations or changing requirements such as the PACT act.

**Customizable Offerings** - Not all warehousing requirements are built the same. Our tailored offerings meet your unique needs, such as freight consolidation/forwarding, climate control, 24/7 alarm, unarmed guards, dedicated pickup/delivery vehicles & space for on-site employees.

**An End To End Solution** - Offering a complete turn-key solution, combining the right facility with full-service logistics personnel. Our team becomes an extension of yours, allowing your local management to focus on other top priorities—*the products, supplies & facilities needed to care for our Veterans.*

**Industry Knowledge** - Supply chain resiliency is at your fingertips. For nearly two decades, our logistics professionals have been supporting customers, to increase material readiness & operational performance. As a result, we've received recognition as an Elite Supplier to Lockheed Martin & earned Exceptional CPARs ratings from our government customers.
