MISSION FOCUSED

Your Success is Our Mission. It's more than just our slogan, it's a *promise* to our customers and partners.

METRICS

We put our money where our mouth is. Our team's knowledge, expertise and thorough review of existing processes allows us to recommend insightful, efficiency-gaining improvements. Plus, comprehensive data collection and analytics provide the metrics to back our results.

AGILITY

We're a big, small company. We deliver large-scale solutions and results by maintaining a small business focus on superior service.

PROCESS ENHANCEMENT

We like to think big & make bigger moves. Agility and innovation allow us to rapidly understand, develop and deploy timely customized, data-driven solutions.

WHAT WE'VE DONE

VSS has delivered products and services as a prime contractor and as a subcontractor for a series of other contractors supporting the U.S. government and its various missions including:

- o USAF Industrial Product - Support Vendor Gen III
- o VA Warehousing & Strategic Sourcing Support
- o DLA Tailored Logistic Services Contracts
- o SOF GLSS
- o Specialized Kitting Support
